School Officials Hail Night Game a Success

Some school officials this week are terming night baseball a "huge success," while others were expressing a shade of doubt about the merits of the enterprise.

Those favoring the plan were the ones who were adding up the receipts. They estimated that approximately 400 saw the

Local Sportsmen Organize New Hunting Club

A new hunting club, "The Trailing Hounds" was organized Monday night at the home of D. C. Cooke, 1221 Madrid avenue, the newly elected president of the sportsmen's group.

The club, composed of active hunters from Torrance and Welteria, plans several hunting expeditions within the near future. Sportsmen interested in deer and hound hunting are invited to attend the next meeting of the group. Meetings will be held on the second Monday of each month. Dues are 25 cents monthly with a \$1 initiation fee.

Baseball Profits Go for Expenses

Vice-Principal Charles Wallace at Torrance High this week said the profits from last Saturday's baseball game between Narbonne and the Tartars will be divided between the two schools.

The money for the tickets sold to the two student bodies will be retained by the respective schools, Wallace said, while the money collected at the gate the night of the game will be divided between the two schools after all the expenses have been deducted.

The Torrance High student body will use the funds to help defray baseball expenses for the season, the official said. The money will be used to pay officials, purchase awards for the players, help with transportation expenses, and to clean the game uniforms during the season.

More than 130 tickets were sold to Torrance High School students at 25 cents each, Wallace reported.

Saturday night game between the Tartars and the Narbonne Gauchos.

Those wondering about the experiment included Coach Vernon Wolfe and his crew of horseholders. When their receipts were totaled, it was learned that they dropped the 11-inning game by a 4-5 score.

FANS THRILLED
One thing was clear to all sides. Those who put down their four bits to see the game never spent a smaller sum for such a night's entertainment. Many have spent much more.

The Gauchos took an early lead in the game and were ahead 4-2 when the Tartars came to bat in the last of the seventh and last inning. Pinch-hitter Jim Taylor, who was in the game for Rightfielder Jim Blackston, scored to make the count 4-3. Pitcher Charlie Camlo then scored on Jim Murphy's single to tie up the game.

Gaucha Neils, Neilsen, who went into the game in the last of the fifth inning, doubled in the 11th and scored on Catcher Brian McBride's single to wrap up the game.

OFFICIALS PLEASED
Vice-principal Charles Wallace and Principal John Steinbaugh were so pleased with the turnout Saturday night that they said this week that they are trying to re-schedule some of their league games here for the lights.

The Tartars will travel to San Pedro this afternoon and next Tuesday afternoon will play their first league game at El Segundo.

Golfers Bow To Inglewood

Torrance High golfers weren't included in the grand victory march staged earlier this week by the school's baseball, track, and tennis teams. Meeting Inglewood in their first Bay League match last Monday, Joe Stuart's pitch and putt artists bowed to the Sentinel golfers 2-6 to 21-6.

Inglewood's Bob Coleman got low score honors with a sizzling 33. Greg Berg was low for the Tartars with 39.

Inglewood's total score was just one over par.

"The team's expert play should establish them an easy favorite in the Bay League and CIF championship race," according to Stuart.

Other Torrance scores include Jim Estes 46, Ed Kozenko 47, Jack Sampson 45, Ted White 44, and Bill White 45.

The Tartars will meet Santa Monica at the Riviera Country Club tomorrow.

Warriors Drop Conference Tilt

El Camino suffered its first defeat in the 1951 flag race of the Metropolitan Conference March 6 when the East Los Angeles Junior College Huskies upset the Warriors 4-2.

Dick Turner dropped a fly ball in right field in the eighth inning to allow the Huskies to score the winning runs.

In a non-conference tilt played last Wednesday, the Warriors scored a 6-3 win over the Los Angeles City College squad at Griffith Park.

Sparked by the 5-hit pitching of Mel More and Forest Maier, they led through the game after a fourth inning rally which saw four men cross the plate. More pitched hitless ball for five and one-third innings.

Essickmen Drop Second Metropolitan Ball Game

Coach Doug Essick, who was recently predicting a hot season for his Warrior ball team, went into a crying jag last Friday as the boys lost their second Metropolitan tilt—this time a 9-8 thriller to the Santa Monica Corsairs.

Playing on the Corsairs' field, the Warriors picked up two runs in the first inning to start the game right, but the combination of an infield error, three straight singles, a double, and a homerun knocked the props out of the Warrior drive.

Four hurlers tried to engineer a win for the Camino squad, but the Essickmen could never overcome the one-point lead.

Awards Dinner for City

Awards to the champions of the recently completed city-county sponsored basketball leagues here will be made at the Alondra Park Recreation Building at a dinner tonight.

A program headlined by UCLA basketball coach, Johnny Wooden, has been arranged by Cee Hollingsworth, manager of the Alondra Park Golf Club.

Camino Racquet Teams Drop Pair of Matches

Experience paid off for the East Los Angeles JC and Long Beach CC last week as both schools went home with victories after their tennis teams visited the El Camino campus for an afternoon of matches.

On Tuesday afternoon, March 6, the Elans blasted the Camino racquet wielders 9 to 0. The following day, the Long Beach Vikings took an 8-1 victory home with them.

Warrior's Hector Samaniego bested his fourth singles opponent 11-9, 6-0 for the squads' first victory. Clarence Miller, of Torrance, battled his fifth singles opponent 3-6, 6-2, 7-5 before dropping the match.

Tartar Trackmen In Fair Showing In First Meets

Tartar tracksters got a couple of practice warmups last week (finally) to give Coach Rex Welch an inkling of what he has to work with this year.

On March 6, the Tartars gathered in 26 points in a three-way meet with Compton, and St. Anthony. Compton led with 81 while St. Anthony trailed with 22.

On March 9, the Tartars suffered 68-36 defeat in a dual meet with Banning. Notwithstanding the scores, however, Coach Welch was impressed in both meets with several of the trackmen.

Aramis Dandoy took first in the high jump at the Compton meet, and the Torrance 880 relay team made up of Dandoy, John Amy, Bill Kudenberg, and Robert Brow took both meets in stride.

Jack O'Call knocked off a 3rd in pole vaulting at the Compton meet and won the Banning meet with a 10 foot, 6 inch vault. He bettered 11 feet last year and is expected to regain that form soon.

Others showing up good in the two meets include Ted Ruth at the 120 high hurdles, Buz Zamora in the mile, Buddy Powers and Gary Groves in the broad jump, Jerry Downing in the 80, and Raul Garcia and Ted Marcoux in the 440 dash.

Netmen Win First Match Of Season

Scoring a victory in their first match of the season, and their first match under the guidance of Jerry Davidson, who took over coaching chores this year, the Tartar tennis team smashed an 8-1 win over the Huntington Beach netmen Monday afternoon on the losers' courts.

Leading the racquet victory with a first singles win over his opponent was Gary Groves, who defeated Pamplin 3-6, 6-0, 6-3.

Only loser during the varsity match was fourth singles netman Jerry Farrar who lost to Kays 6-8, 0-6.

Both Tartar doubles teams composed of Bill Bourne and Vern Lewis, and Richard Ugland and Dan Bohrdanz won their matches.

In the junior varsity matches, the Tartarbabes won all their matches except one. Chuck Steward was trailing 0-3 in the second set when the match was called because of the time.

Varsity winners included Jerry Bennett, Fred Bennet, and Bob Applegate.

Chalking up varsity wins were Groves, Tom Pryor, Bill Baron, and Gene Davis.

The teams will meet Narbonne this afternoon on the Narbonne courts. As a rule, the tennis squad will accompany the baseball team, Davidson said.

Railway passenger cars have an average length of between 75 and 85 feet.
